25X1 Dear Mr. [redacted]

Mr. Hedden is on vacation and has not seen your letter of 30 July 1952. However, he has been advised of its contents and has asked that you be reassured that there is no cause for worry because the package has not been received. Mr. [redacted] informed Mr. Hedden on 25 July that the item had been ordered but that it would take a few weeks to deliver it as it is a handmade article. He has been advised to deliver the package to Mr. Hedden, [redacted]

Mr. Hedden is most appreciative of your following up on this matter.

Sincerely,

[redacted] 25X1
Secretary to Mr. Hedden
